

Sub Voicive Poetry

Sub Voicive Poetry was founded by Gilbert Adair in 1980 and run by him until 1992. Then Ulli Freer took over and ran it until the Spring of 1994 when Lawrence Upton took over.

During the 90s, a number of others shared the administrative load with the Chairs, most notably Robert Sheppard.

Sub Voicive Poetry closed in 2005, when there no longer seemed to be a perceived need for it.
